GENERAL CUTTING EVENT RULES

- In the case of a Family Membership who own ONE ONLY competition horse, two family members may participate on the same horse in the one event. One will be eligible to score towards a high point awards but the other shall participate as a "Restricted Rider" and be obliged to ride at the end of the event and will not be eligible for points or placings. This rule applies only events in which the HORSE is classified.

A horse entered in either Open, Novice \$3000, Beginner Horse or Snaffle Bit can only compete in that event. If you nominate in any of the horse events mentioned above you can nominate THREE separate horses, once only, in their eligible event.

PRACTICE DAYS are a good opportunity to work your horse where you have five minutes and the opportunity to ride more than once, but no more than three.

Some of you might feel these rules are restrictive but the committee must be mindful of being able to source cattle from our suppliers which at times can prove to be difficult.
